

WE STRONGLY OPPOSE THE USE OF CELL PHONES ON BOARD COMMERCIAL FLIGHTS. FROM BOTH A CREW MEMBER AND PASSENGERS PERSPECTIVE SAFETY WOULD BE GREATLY COMPROMISED. IN ADDITION HAS THE FCC TAKEN INTO CONSIDERATION THE ENORMITY OF THE LAWSUITS WHICH WOULD ENSUE AS A RESULT OF SUCH AN IRRESPONSIBLE DECISION DUE TO PASSENGER CONFLICTS AS WELL AS FACILITATING TERRORIST ACTS ON BOARD. WHY IS THIS EVEN A CONSIDERATION AFTER WHAT HAPPENED ON 9-11?
